Oh, Sure. Now We Get Showers.

Well, we finally go our showers, a month late, but we'll take it.

Okay, here is your 411 on all things TCAS. The Molasses Raffle is back and is looking for a few buyers. Buy them now, when they are low, because it will go up every month a whole buck. 5 for 5 in the name of the game this month. Good luck to all.

We are having a hunt, members only this time, \$5 and a covered dish gets you in for a day

of hunting' fun. It will be Saturday, June 6th. Location and time will

be announced at the meeting.

Finally, our club is getting a new web address. More information later on where and when it will be ready. Make sure to change your bookmarks when the new address is available.

That is all for now hunters, and as always happy hunting!

Someone's watching me. By. Dale T. Thesenvitz

Where you at the TCAS Annual Hunt at Hobart Park March 14th? While you were out detecting, did you have that “old feeling” of being watched? Well, you were! In the southeast corner where the road turned left as you were heading out, high in the trees above was the cause of your concerns and feelings of being watched.

Was it “Big Brother” taking notes for the IRS? Was it the Park Manager seeing if you filled in any holes that were dug? Or was it your imagination?

No, no and no!

Then who was it? You are getting warm with “who”. Now just add another who to the who and you will be hot!

Then Who Who was it you ask?

If you looked high in a tree you could see.....

.....a pair of owls high in the tree! I wonder if they were watching the feeding of the field so they could find the coins left behind.
