Where did Summer Go?

At last we have picked a charity. Congratulations to Brevard County Friends of Abused Children, Inc. and the Boys and Girls Club of Indian River County, they will receive \$500 each.

Just a reminder, the Molasses Raffle continues. It has now gone up one whole dollar. Get your tickets now while they are still low.

Now this is about the time I get on my soap box.

Please send me articles for the news letter. I am running

out of ideas and I know this is a very boring read. Please help! Send anything, a funny moment on the beach, a research project. Anything! Thank you.

Happy Hunting.

The Gage Ring by Joni Hart

My husband and I were metal detecting on Cocoa Beach and I happened to find a Class Ring with Eastland Christian School on it. The year on the ring is 1979 and the name inscribed inside is Gage R. Minton. So I looked up the school's name on the computer and sent an e-mail inquiring if they could give me some information to help return it to the owner. With luck, the school e-mailed me back. They told me that his son attended the school. So Richard went to the school to return the ring to the student and found out that he lost it the day we were detecting. That was some luck.
