Welcome to the New Year

This is the season for new year resolutions. Out with the old, in with the new. This year will be filled with new adventures and discoveries.

This year I ask all of you to make one resolution for me. Please send me articles. Tell be what other hobbies you have other then metal detecting. Tell be about a coin collection or about a new bottle you have found. This is your

newsletter. Let others know about a new discovery and the story of how you found it.

Tips, tricks, anything of interest to you.

Now that the

rant is over, I hope that everyone had a good holiday and new year. February we will be voting for Find of the Year. Good luck to the past Find of the Month winners. Also, mark your calendars for the TCAS Annual Benefit Hunt and the Clean-N-Fun hunt coming in March.

Happy Hunting!
~Amy

Helpful Hints from the Central Florida Club

Having trouble with bugs when you hunt? Get some AVON Skin-So-Soft, original bath oil. Pour it in a spray bottle and keep it in your car or truck with your MD gear. Spray it on your arms, neck, legs as you would insect repellent. It works – give it a try.
